## Club Meeting Minutes from 12 Jan 2019

### ➤ Club Shoot at the Kitty Joe site – blanket shoot.

Everyone helped Wayne setup the shoot. This was a good shoot and I did not think particularly difficult but the scores were surprisingly low. It was a good day to shoot the sky was clear and the sun was bright and maybe the angle of the sun affected the scores. The wind was a factor about half way through the shoot and really gusted during lunch. Lunch was stew with lots of sides and deserts. Even if you cannot or do not want to shoot come out and bring something to share and have lunch with us.

- We need shoot hosts. Several times in the past 2 or 3 people have gone together to host a shoot. There is always help in setting up the targets and collecting them after the shoot. If you cannot choose and pickup the targets for your shoot let Gary or Pete know and one of us will likely be able to carry the targets to the shoot.

➤ June, July, August, and Sept are open

### ➤ Next shoot February 10

- Club Shoot by Paul Hanna at the Kitty Joe Canyon area, FUN Shoot for bragging rights no prizes  
**Bring a target**

The Muzzlestuffers shoot at the Rio Salado range in East Mesa on the 2nd and 4th Sundays of the months. See the link at the end of these notes
