Club Meeting Minutes from 13 Apr 2019

➤ Club Shoot at the Kitty Joe site – blanket shoot.

Everyone helped set up the targets. Great effort all. This was a great day to shoot. It started out just a little cool, clear sky, and no wind at all. About ¾ way through the shoot a light breeze showed up. There were some light clouds drifting by during lunch. Lawrence brought his daughter Tami and I believe she had a good time even though she was the only female. Lunch was a beef, potatoes, carrots and brussel sprouts in a very tasty broth. It went very well with all the side dishes.

- We need shoot hosts. Several times in the past 2 or 3 people have gone together to host a shoot. There is always help in setting up the targets and collecting them after the shoot. If you cannot choose and pickup the targets for your shoot let Gary or Pete know and one of us will likely be able to carry the targets to the shoot.

➤ Sept, Oct, and Dec are open

➤ Next shoot May 11

Club Shoot by Rick Livingston at the Perry Lake Pit, Blanket Shoot. Looks as though it might be a little cool at the start of the shoot. Flagstaff temperature is forecast in the mid to upper 30s.

The Muzzlestuffers shoot at the Rio Salado range in East Mesa on the 2nd and 4th Sundays of the months. See the link at the end of these notes
