➤ **New Business:**

- Other Club events:
  - Mark Hommer told us about the Muzzle Stuffers shoot in the rain last Sunday. They shot paper till the rain got too heavy and they had to bring in the targets. There were also the regular steel targets and a special challenge of clay pigeons on the bank at 110 yards. Sorry I missed that.
- Lawrence asked the club to attend the Muzzle Stuffers shoots and try to bring new people out to both shoots. Both clubs are seeing lower attendance and some of the Muzzle Stuffers are worried about loosing their spot at the range

I have not been to as many Muzzle Stuffers shoots this past year as I have in the past and as a personal challenge will make at least 8 in 2020.

- There will not be a State Association sponsored shoot at the Rio Salado range this year due to the poor attendance last year
- Mark Hommer reminded us the Yuma Rendezvous is Jan 16 – 19 the flyer is attached
- The Bous rendezvous is in Feb the flyer is attached
- The WINS is in March the flyer is attached

Meeting adjourned at 11:55
