## Club Meeting Minutes from 11 Feb 2017

### ➤ Club Shoot at the Kitty Joe – blanket shoot.

Much better weather for the February shoot. The day started with high thin clouds streaking the sky. The shoot started about 9:15 and around 11:00 a breeze started up. Later there were a few gusts that may have thrown a few shots off target. Regardless this was a fun shoot. At the end of the scoring shoot Paul had a team competition set up. Paul had placed 14 potatoes on sticks and inserted the sticks into a 4 foot 4x4. The object of the competition was to shoot the potatoes in order from the bottom to the top of the 4x4 and then shoot the potato on the top of the 4x4. When we started Paul said we could not leave any of a potato on the sticks. Let me tell you the only way to clean the first one my team left a little sliver of potato on was to shoot the stick. We did this and somewhere along the way Paul changed the rule and said we could now leave a small piece of potato on a stick. That was after my team had shot 2 sticks. We all enjoyed this competition regardless who won. Thanks Paul. I wonder what he will find for next years shoot.

Two guests this month Roger Smith (an old member ) and his grandson Zach Holman attended this month's shoot. Roger was very ambitious this month he shot the entire shoot with his black powder revolver.

Welcome new members Don and Greg Mawson. Greg did not make this months shoot but he must have had a good time last month despite the weather.

Lunch was shredded beef soft tacos shredded beef soft tacos. Mighty good and lots of side dishes.
