## Club Meeting Minutes from 9 Sept 2017

### ➤ Club Shoot at the Perry Lake Pit – blanket shoot.

The shoot was set up Friday by Jack, Pete, and Gary. Nobody complained so I guess it was ok. This was a great day for shooting. It was cloudy with light winds after a wet night. The rain threatened but did not happen during the shoot or lunch. The scores were lower than I expected for some unknown reason. All of the targets were hit the wind was not a problem I was sure Jack was going to hit them all the way he started. There was a 5 way tie on the long shot so a second shot was taken by the 5. Check out who hit the bell twice and will get the prize of \$81. Hard to believe but it is true.

- We need shoot hosts. Several times in the past 2 or 3 people have gone together to host a shoot. There is always help in setting up the targets and collecting them after the shoot. If you cannot choose and pickup the targets for your shoot let Gary or Pete know and one of us will likely be able to carry the targets to the shoot.

After the long shot the meeting was started with the blanket prizes about 12:20.

There were 10 shots at the Summer Bell and 1 hit was recorded See you next month.

Lunch was fried chicken and lots of sides and deserts. I did not need supper that night

### Next shoot

**October 14** Club Shoot by the O'Brien clan at the Kitty Joe Canyon area, Blanket Shoot each shooter puts up a \$10 prize for the blanket. Visitors pay \$3.00 for insurance and the \$1.00 target maintenance fee for a total of \$4.00. Members pay the \$1.00 target maintenance fee.
