Club Meeting Minutes from 10 Mar 2018

➤ Club Shoot at the Kitty Joe site – blanket shoot.

Everyone helped Paul setup the shoot. The individuals who brought a target or two set them up. The second hot was a hole in a steel bar with a square of wall board behind that you had to put a hole in to count as a hit. We had 2 paper targets one was a simple black square The other was a sheet with card values in small squares for the best hand. These sheets were mounted with the plain side to the shooters. We shot charcoal and red plaster balls. There was a satellite dish as one target about 15 to 20 yards out this was a shoot from the hip target. The team event was a 5 minute most number of hits on the target. Team 1 got 10 hits and won This was a very fun shoot. Lunch was ham sandwiches with lots of sides and deserts. Even if you cannot or do not want to shoot come out and bring something to share and have lunch with us.

We had 4 guests this shoot. John Pugliano brought his friend Ron and Lawrence brought His brother Steve, his sister Jan and her husband Karl. They all said they would come to another shoot so I guess they had a good time.

Next shoot April 14

- Club Shoot by Lawrence Elchlepp at the Kitty Joe Canyon area, Blanket Shoot.
