Club Meeting Minutes from 19 Feb 2022

➤ **Club Shoot at Kitty Joe – blanket shoot.**

The people who brought targets set them up. Pete and Walter set up the 4 targets the club brought. We had a clear sky all day and no wind setting up the targets. By the 3rd shot we had a light wind which calmed down by the 11th shoot. Then it changed and the wind became a factor for a few shots and really blew for the prizes and lunch. We wound up with a short but challenging shoot of 16 targets. The drive the tack target proved to be too tough as no one scored on this one. The flip the Hawk and Knife was as entertaining as it was challenging. Check the web site for pictures.

Gary thanked everyone for attending and helping with the shoot at the start of the prize awards.

Lunch started with a beef, mushroom, and rice soup. Though the rice was hard to identify after the soup was reheated for lunch. All the sides rounded out the meal very nicely.

 - Club Shoot by John Schaffer and Mark Hommer at the Kitty Joe Canyon area site, Blanket Shoot.

MUZZLESTUFFER Shoots at the Rio Salado Range

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility.

Questions? Contact Dave Bankhead, "bowgun1@gmail.com", 928-533-9187. If you call, be sure to leave a message, as my phone sends any number it doesn't recognize straight to voicemail. See you on the range. Dave.
