Club Meeting Minutes from 13 August 2022

➤ **Club Shoot at the Perry Lake Pit – blanket shoot.**

Pete and Patricia arrived Tuesday afternoon to camp. Gary arrived Wednesday. Mark and Linda arrived Thursday. Dean and Wayne arrived Friday. Pete, Mark, and Gary set up the targets Friday. Just before the rain started. We had had rain Wed and Thurs but nothing like what came on Fri. Dean had to wait it out in the cab of his truck as the 1.5 or more inches of rain descended. Saturday there were clouds, but none were threatening. The 8:00 am temp was around 70° with calm air till a very light breeze started toward the end of the shoot. Wayne started the shoot with a blow gun challenge where we had 3 chances to put a dart in a 3 ring target. That was fun. Thanks, Wayne for adding something new to the shoot. Wayne also fired off one of the caps he made and said they will not fit into a capper.

The weather was perfect for lunch. We had 3 guests for lunch, Mark’s daughter Leighann Sackett, her daughter Keleigh, and Keleigh’s boyfriend Taylor Jeter. Keleigh and Taylor both took a shot with a muzzle loader before lunch.

So far there has been 4 hits on the long shot this summer.

Wayne thanked everyone for attending and helping with the shoot at the start of lunch.

Lunch and prizes started at 11 am. Wayne cooked hamburgers and had sliced onions and tomatoes along with ketchup and mustard. They were mighty tasty and with all the sides nobody left hungry.

MUZZLESTUFFER Shoots at the Rio Salado Range

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility.

Questions? Contact Dave Bankhead, "bowgun1@gmail.com", 928-533-9187. If you call, be sure to leave a message, as my phone sends any number it doesn't recognize straight to voicemail. See you on the range. Dave.

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range

START TIME 9:00 am with setup at 8:00 summer hours
