Club Meeting Minutes from 10 September 2022

➤ **Club Shoot at the Perry Lake Pit – blanket shoot.**

Pete arrived Wednesday afternoon to camp. Gary arrived Thursday. Dean, Lee and his son Garret arrived Friday. Pete, Dean, and Gary set up the targets Friday. There was a few sprinkles Friday night about 6:15 but, other than that the rain held off till after the shoot and we picked up the targets with a few drops. The day was overcast with great light for shooting. There were a few threating clouds around 10:15 and distant thunder around 10:45 Maybe it was too nice as the scores were unexpectedly on the low side. I still had a great time and I think the other shooters did as well. We had 1 guest this shoot as Lee brought his son. Very nice to meet you Garret.

Lunch was build your own ham sandwich and lots of sides and deserts. It has been a while since I had ham sandwiches and they were sure tasty. Thanks Pete and everyone for the sides.

The long shot this summer saw 5 different people hit the bell. The 4 at the shoot had a shoot off which broke the tie when Dean Clarkson hit the bell for the second time on the second tiebreaker shot. If my numbers are accurate Dean gets \$74. Nice shooting Dean.

Pete thanked everyone for attending and helping with the shoot at the start of lunch.

Lunch and prizes started at 12:17 pm. We got some light rain for the prizes and the meeting.

Got something to sell reply to this email with the details and I will post them.

MUZZLESTUFFER Shoots at the Rio Salado Range

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility.

Questions? Contact Dave Bankhead, "bowgun1@gmail.com", 928-533-9187. If you call, be sure to leave a message, as my phone sends any number it doesn't recognize straight to voicemail. See you on the range. Dave.

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range

START TIME 9:00 am with setup at 8:00 summer hours
