Club Meeting Minutes from 8 October 2022

➤ **Club Shoot at the Perry Lake Pit – blanket shoot.**

We got to the Rendezvous site and found the road in an impassable condition. Pete got on the phone to the land owner and the land owner, Jim, had an alternate road through his daughters property. We had to wait at the gate into that property for Jim owner to unlock the gate. Jim has been very accommodating to us and that is why we take up a collection to help pay for the fuel he uses up every year to make the road passable for us. Jim made a special trip over and worked on the road just enough to allow some of us to exit the usual way after the shoot.

We had an excellent turnout for the clean up and the shoot. Thank you all. Our efforts over the years have a have made a great reduction in the quantity of fluff we have to endure during the Rendezvous. We had 3 guests this month. Tavin Dion’s grandson, Trevor who may be related to Ron. Sorry I did not get the relation if there is one, And Stu a friend of Mark. There might be the potential for some new members.

The shoot was set up by Dean and Gary while the other People chopped and cut down more of the desert broom. The day started with partial sun and stayed that way all day. The wind gusted from time to time but not enough to be a real issue for the shoot. This was a challenging shoot though it did not seem to bother Ron as he hit 16 of the 20 targets. Rain was all around but did not actually fall on the site while we were there.

Lunch was pulled pork sandwiches and lots of sides and deserts. Dean did an excellent job on lunch. Thanks Dean and everyone for the sides.

Pete thanked everyone for attending and helping with the shoot at the start of lunch.

Lunch and prizes started at 12:17 pm. We got some light rain for the prizes and the meeting.

New pictures added nearly every month. Pete does outstanding work on the site.

When I was looking for a 54 cal barrel for my Hawken I could not find a Green Mountain barrel anywhere. I finally turned to the Gun Works for the barrel. I have been very pleased with my purchase. Check them out at www.thegunworks.com

MUZZLESTUFFER Shoots at the Rio Salado Range

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility.

Questions? Contact Dave Bankhead, "bowgun1@gmail.com", 928-533-9187. If you call, be sure to leave a message, as my phone sends any number it doesn't recognize straight to voicemail. See you on the range. Dave.

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range

START TIME 9:00 am with setup at 8:00 summer hours
