Club Meeting Minutes from 10 December 2022

➤ **Club Shoot at the Perry Lake Pit – blanket shoot.**

Wow what a shoot 17 shooters with a total attendance of 24, with some first time visitors. I added several addresses to my distribution. The day was amazing cool and clear sky that was great for shooting. John Pugliano brought his grandson Connor and Robert Childress and his grandson stopped by to check out the club. If I have not mentioned you as a visitor or new shooter I am sorry it was a busy time for me trying to keep up with the conversations. The attendance list is below. Please let me know if I misspelled your name.

Thank you Dean for taking the targets and stands home after the Rendezvous and bringing them to the shoot.

Lunch and prizes started at 11:45 pm. We got slight breeze (very slight) for lunch. Lunch was chili and lots of sides and deserts. Karin made a very good chili. Gerry said he helped but I have my doubts, it was an excellent lunch either way. Thanks Karin and Gerry and everyone for the sides.

Pete thanked everyone for attending and helping with the shoot at the start of lunch.

After the shoot Pete and I stopped by the rendezvous site land owner and dropped off the clubs Christmas letter and the cash donations to say thanks for his efforts to provide a road in for us and letting us use the land again. A big thanks to all of you who contributed.

MUZZLESTUFFER Shoots at the Rio Salado Range

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility.

Questions? Contact Dave Bankhead, "bowgun1@gmail.com", 928-533-9187. If you call, be sure to leave a message, as my phone sends any number it doesn't recognize straight to voicemail. See you on the range. Dave.

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range

START TIME 10:00 am with setup at 9:00 winter hours
