Club Meeting Minutes from 11 March 2023

➤ **Club Shoot at the Kitty Joe site – blanket shoot.**

We had a very nice day for shooting. There were 12 shooters, 2 guests and me the cook. Guest David Wasson said he intends to join our club. Trevor brought his father Terry out to see what we do. Welcome to you both please come back. I tried to make this an interesting shoot as I brought the bolts and split the card targets that I did not get to set up in last months wind. I was very surprised to learn that for the first time nobody hit the large white bell. I had to heat up lunch so left the line early.

Lunch was a beef stroganoff casserole. It was supposed to be beef stroganoff but by the time I got it hot enough to eat the noodles were broke up and had absorbed more water than I expected. I was told it still tasted good. Thanks to all the side dishes it was a good lunch.

Pete thanked everyone for attending and helping with the shoot at the start of prizes.

MUZZLESTUFFER Shoots at the Rio Salado Range

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility.

Questions? Contact Dave Bankhead, "bowgun1@gmail.com", 928-533-9187. If you call, be sure to leave a message, as my phone sends any number it doesn't recognize straight to voicemail. See you on the range. Dave.

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range

START TIME 10:00 am with setup at 9:00 winter hours
