Club Meeting Minutes from 10 June 2023

➤ **Club Shoot at the Perry Lake Pit site – blanket shoot.**

Pete, Dean, Gary, and Mark set up the shoot Friday. It was a great week for camping. Nice and cool at night and very comfortable temperatures during the day almost a repeat of last months weather without the threat of rain. We had a very nice day for shooting a little breezy at times and the only clous were off in the distance. There were 11 shooters. The scores were a bit better this month so I guess the wind did not bother us much.

Once again we shared the site with a group of scouts. The organizers set up a shoot for the scouts on Friday. There was a full range of rifles from 22 cal to 308 with a flintlock, a cap lock and an inline for the scouts to shoot. They were done about 2:30 so we had plenty of time to set up our shoot Friday.

I am calling this year the Year of the Long Shot. Last month 3 shooters hit the bell. This month 2 shooters hit the bell and for Ron it was the second time he hit the bell this year. With the \$20 seed the kitty is up to \$42 and there are 3 more months to go.

Lunch was build your own ham sandwiches and lots of sides. Pam and Terry Volts showed up near the middle of the shoot. Terry helped out with the scoring and they stayed for lunch. Jack brought Betty, Mark brought Linda, and Pete brought Patricia so we had a real crowd for lunch. Sure was good to see and talk to people we had not seen for a while.

Pete thanked everyone for attending and helping with the shoot at the start of prizes.

- The club usually puts a pound of powder on the prize table at the shoots. Due to the current trade value of a pound of powder at \$25 a motion was made to place a \$15 donation on this pound to bring the value back to the standard \$10 prize and to keep the club in better financial health. John Schafer has rifles socks for sale That Mary (his wife) makes. I purchased one from him at the Rendezvous so I can verify these are real nice. Please see John at the next shoot.

MUZZLESTUFFER Shoots at the Rio Salado Range

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility.

Questions? Contact Dave Bankhead, "bowgun1@gmail.com", 928-533-9187. If you call, be sure to leave a message, as my phone sends any number it doesn't recognize straight to voicemail. See you on the range. Dave.

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range

START TIME 9:00 am with setup at 8:00 summer hours
