Our website: <https://mazatzalmountainmuzzleloaders.org>

Our club is named the Mazatzal (Yavapai for Land of the Deer) Mountain Muzzleloaders. The club was organized in 1986 and has been an NMLRA chartered club since 1988. We would like to invite anyone interested in Traditional Black Powder shooting to attend any of our club events.

Our yearly Rendezvous is held in November around Veteran's Day weekend. Rendezvous setup starts Wednesday prior to the second Saturday of November finishing with prizes given out Sunday morning. The location is just south of Rye, Arizona where there are separate primitive and modern camp sites available with plenty of space to accommodate any size of camp. Although we encourage primitive dress it is not required. Traders are warmly welcomed. Bring the entire family so they can participate in all of the activities.

Monthly club shoots are held on the second Saturday weekend of each month. During the months of October then December through April the club shoots are held just north of Sunflower, Arizona. While during the months of May through September the club shoots are held just north of Mormon Lake, Arizona. The monthly club shoots are casual and camping is encouraged.

Following the monthly club shoots then the blanket prizes will be awarded to each shooter. After the prizes have been awarded then you are invited to attend a potluck lunch with the main course provided by the club member that sponsored the shoot for that month.

Monthly club meetings are held after the potluck lunch and tend to last less than half an hour. There are club dues.
