Club Meeting Minutes from 8 July 2023

➤ **Club Shoot at the Perry Lake Pit site – blanket shoot.**

Pete, Terry, and Gary set up the shoot Friday. We had another great week for camping. Nice and cool at night and very comfortable temperatures during the day. We had a very nice day for shooting. The wind gusts were strong from time to time and did add a little challenge to the longer shots. This month there were 16 shooters. The attendance this year has been terrific. Sure is great to see everyone.

John brought his grandson Connor Travis. For his second time shooting black powder Conner did very well with a second place score.

In the long shot competition there were no hits this month. With 2 months left there is still a chance to tie Ron who has a commanding lead with 2 hits this year.

Lunch was hot dogs, beans, and fixens. Several salads, chips, and various deserts provided everyone a full belly. I sure do like hotdogs they always seem to go down easy. Especially with chopped onions which John and Ron had an ample supply.

Pete thanked everyone for attending and helping with the shoot at the start of prizes.

John and Ron attended the 1838 Rendezvous in Riverton Wyoming. I took a few minutes to look up the websites, there are more than 1, and I agree with Ron and John the site looks nice. This is a resurrection of a historic rendezvous site about as close to the center of Wyoming as you can get.

John Schafer has rifles socks for sale That Mary (his wife) makes. I purchased one from him at the Rendezvous so I can verify these are real nice. Please see John at the next shoot.

MUZZLESTUFFER Shoots at the Rio Salado Range

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility.

Questions? Contact Dave Bankhead, "bowgun1@gmail.com", 928-533-9187. If you call, be sure to leave a message, as my phone sends any number it doesn't recognize straight to voicemail. See you on the range. Dave.

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range

START TIME 9:00 am with setup at 8:00 summer hours
