## Club Meeting Minutes from 12 August 2023

### ➤ Club Shoot at the Perry Lake Pit site – blanket shoot.

Pete, Dean, Terry, and Gary set up the shoot Friday. Again, good camping weather Thursday and Friday Nice and cool at night and very comfortable temperatures during the day. We had a few sprinkles Friday night. Just enough rain to keep the dust down. Saturday was a different story. This was a damp shoot, the sky was overcast for the start of the shoot and the drizzle was frequent. We were all damp around the shoulders but not wet. There was a brief time when the clouds parted and blue sky was visible, then the real clouds started building South and West of us.

We had just started lunch when the rain started. We scrambled to move and set up pop up shades. 20 of us crowded under 3 pop ups and still enjoyed lunch. And yes, we were all wet from the steady rain that fell. This was a good rain that soaked in as it fell. There were a few puddles but no run off. The club meeting was shorter than usual due to the rain.

John brought his grandson Connor Travis. For his second time shooting black powder Conner did very well with the second highest score.

Paul brought his son James and grandson John. It was good to see them both as they were at a shoot about 2 years ago.

Wayne brought his Son in Law Scott Lavender, Brian Atwell, and Gieon Tschaefer. Scott and Brian shot with us Gieon enjoyed watching.

Bill Bartscher and his son John came to shoot with us and may join the club. Bill found us on line, thanks Pete for the hard work on the site, and decided to see what we were all about

In the long shot competition, there were no hits this month.

Lunch was Chili and fixins. Pasta salads, caramel corn, olives and pickled onions to mention a few items along various deserts provided everyone a full belly and comfort from the rain.

Pete thanked everyone for attending and helping with the shoot at the start of prizes.

**Please look over the list of next years shoots and let Pete or Gary know which shoots you would like to host. Hosting is easy. There is always help in setting up and tearing down the targets. The host's primary duty is to provide the main course for lunch.**

John Schafer has rifles socks for sale That Mary ( his wife ) makes. I purchased one from him at the Rendezvous so I can verify these are real nice. Please see John at the next shoot.

**MUZZLESTUFFER Shoots at the Rio Salado Range**

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility.

Questions? Contact Dave Bankhead, "bowgun1@gmail.com", 928-533-9187. If you call, be sure to leave a message, as my phone sends any number it doesn't recognize straight to voicemail. See you on the range. Dave.

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range

**START TIME 9:00 am with setup at 8:00 summer hours**
