Club Meeting Minutes from 9 September 2023

➤ **Club Shoot at the Perry Lake Pit site – blanket shoot.**

Pete, Dean, Terry, Paul, and Gary set up the shoot Friday. As with most efforts by committee turn out we ended up with 21 targets this month instead of the usual 20. It was still an excellent shoot. This has been a great summer for camping at the shoots there is lots of room and the road is good.. Hope to see more of you next summer.

I am calling this the shoot of 3 parts. The first 3rd was a clear sky and bright sun. The second 3rd gave us some relief from the warm sun as a light breeze started. The last 3rd the sky turned cloudy and the breeze strengthen slightly.

The long shot concluded with a tie between Ron and Pete. The shoot off ended with Ron the Winner

There was some far off thunder just as we started lunch. Lunch was Brats and fixins. The sides Chips, Salads, and deserts were an excellent addition and rounded out the meal nicely. Thanks Wayne for hosting.

Pete thanked everyone for attending and helping with the shoot at the start of prizes.

Please look over the list of next years shoots and let Pete or Gary know which shoots you would like to host. Hosting is easy. There is always help in setting up and tearing down the targets. The host’s primary duty is to provide the main course for lunch.

MUZZLESTUFFER Shoots at the Rio Salado Range

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility.

Questions? Contact Dave Bankhead, "bowgun1@gmail.com", 928-533-9187. If you call, be sure to leave a message, as my phone sends any number it doesn't recognize straight to voicemail. See you on the range. Dave.

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range

START TIME 9:00 am with setup at 8:00 summer hours
