

**Club Meeting Minutes from 09 March 2024**

➤ **Club Shoot at the Kitty Joe Canyon area – blanket shoot.**

The day was great for a spring shoot; a medium sized cloud formation moved in from the west and brought a morning sprinkle which ended before 9:00am. Not a breeze that day until the last shot was fired with a morning low of 39 degrees and a lunch high of 70 degrees, it was beautiful day.

Thanks to everyone that helped to setup the targets first thing in the morning and for taking them down at the end of the shoot. We had a pretty good turn out with 9 shooters and a score keeper. We had 20 silhouettes setup with a high score of 15 hits that was high enough because the day was just too beautiful.

Lunch was fantastic with Walter’s Elk tacos and all the fillings, refried beans and a bunch of side dishes.

**Please let Pete or Gary know if you would like to host. Hosting is easy. There is always help in setting up and tearing down the targets. The host’s primary duty is to provide the main course for lunch.**

**MUZZLESTUFFER Shoots at the Rio Salado Range**

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility.

Questions? Contact Dave Bankhead, "bowgun1@gmail.com", 928-533-9187. If you call, be sure to leave a message, as my phone sends any number it doesn't recognize straight to voicemail. See you on the range. Dave.

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range

**Usual START TIME 10:00 am with setup at 9:00**
