➤ **New Business:**

- Pete welcomed Jennifer and Domenica Tornicasa. Thanks for coming!
- Pete let us know that many of the shoots for 2026 are in need of hosts and will be filling in some names today. A host provides the main dish for the pot luck. There is always help in setting up and tearing down the targets.
- Wayne Lines reminded us the demonstration for the Elk society at Camp Raymond West of Flagstaff is on the 21st thru 24th of May 2026. If you can attend please plan to be in period dress for the Friday presentation and for the Saturday shooting demonstration shoot. Around 50 youth and parents with a desire to shoot a black powder rifle can be expected. I will bring 3 or 4 targets to this event and ask that the powder charges be 25 grains or less as the range is short. I forwarded a description from the Elk Society and will resend it per request. This is a very rewarding and fun event.
- It was announced that #11 Remington caps are now available online.
- Pete announced that the 2026 AZWINS is hosting the NMLRA Arizona Territorials which is a four day event.
- Meeting adjourned at 12:15 pm.

John Schafer has rifles socks for sale That Mary (his wife) makes. I purchased one from him at the Rendezvous so I can verify these are real nice. Please see John at the next shoot.

**MUZZLESTUFFER Shoots at the Rio Salado Range**

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility.

Questions? Contact Dave Bankhead, "bowgun1@gmail.com", 928-533-9187. If you call, be sure to leave a message, as my phone sends any number it doesn't recognize straight to voicemail. See you on the range. Dave.

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range.
