- Pete announced the owned of the land where we had our rendezvous has invited us back for next year. We had 35 registered shooters which was down a little from last year, but raffle ticket sales were strong so we are financially well off for the year. We had around 10 new or long ago attendees this year. Pete also said there will be a change in the location of the registration to the other side of the road so there would e some shade for the registrars. The trader Lame Bever(Lamebeavertradingco) posted a video on utube of his experience at our rendezvous. Lame Beaver said he intended to return next year.
- Wayne set up a table with some free stuff he received from a friend who was slimming down his household.
- A motion was made and passed to purchase a batch of tee shirts with pockets. Karin will place the order specifying the sizes. Our current inventory was down to 12 with 8 being size 2X shirts. Soon we will have 20 new shirts.

➤ **Good Trade! Club Member Trades & Ads.**

Here is the place to sell your extras for a bit of money. Do you have a Knife? A Hawk? Set of Buckskins that have shrunk (??) and don't fit anymore? Pair of Mocs? A Pistol? A Lantern? A Chair or Table? Call Pete or Gary and they will get it into the next minutes for all to see.

John Schafer has rifles socks for sale That Mary (his wife) makes. I purchased one from him at the Rendezvous so I can verify these are real nice. Please see John at the next shoot.

This newsletter is **ONLY** being sent via E-Mail. If you know of a member who does not have E-mail, please print a copy and give it to them so they also will be able to keep up with the club happenings.

MUZZLESTUFFER Shoots at the Rio Salado Range

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility. Questions? Contact John Rankin at johnpaulrankin@gmail.com

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range
