

Club Meeting Minutes from 13 June 2026

I arrived Thursday about noon and RJ and Jim were already camping. Patricia and Pete arrived just a little after I did.

Pete and RJ picked up the targets and everyone helped setup the shoot Friday afternoon. The shoot started with 4 challenging shots and then settled into a more normal set up. Lunch started about 12:20 with prizes at 12:40

Lunch was a terrific pulled pork for sandwiches and as usual a great bunch of side dishes and deserts.

Please let Pete or Gary know if you would like to host. Hosting is easy. There is always help in setting up and tearing down the targets. The host's primary duty is to provide the main course for lunch.

➤ **Good Trade! Club Member Trades & Ads.**

Here is the place to sell your extras for a bit of money. Do you have a Knife? A Hawk? Set of Buckskins that have shrunk (??) and don't fit anymore? Pair of Mocs? A Pistol? A Lantern? A Chair or Table? Call Pete or Gary and they will get it into the next minutes for all to see.

John Schafer has rifles socks for sale that Mary (his wife) makes. I purchased one from him at the Rendezvous so I can verify these are real nice. Please see John at the next shoot.

This newsletter is **ONLY** being sent via E-Mail. If you know of a member who does not have E-mail, please print a copy and give it to them so they also will be able to keep up with the club happenings.

MUZZLESTUFFER Shoots at the Rio Salado Range

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility. Questions? Contact John Rankin at johnpaulrankin@gmail.com

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range
