

Club Meeting Minutes from 11 July 2026

I arrived Thursday about noon and RJ and Jim were already camping. Paul, John, Dean, Steve and Pete arrived Friday for camping.

RJ and Gary picked up the targets and everyone helped setup the shoot Friday afternoon. Jim decided to change the target order. So the first shot was the usual short shot. Then we went to what is usually the last shot and worked backwards through the targets. I thought it was a interesting change. While it may have affected some of us it certainly did not affect RJ. Jim also got creative with the paint on several targets. There was a red and black pig and black and yellow ring as well as other alterations.

Lunch was a green chili stew with a smoked meat that might have been ham or a game animal, either way it was real tasty, and as usual a great bunch of side dishes and deserts.

Please let Pete or Gary know if you would like to host. Hosting is easy. There is always help in setting up and tearing down the targets. The host's primary duty is to provide the main course for lunch.

➤ **Good Trade! Club Member Trades & Ads.**

Here is the place to sell your extras for a bit of money. Do you have a Knife? A Hawk? Set of Buckskins that have shrunk (??) and don't fit anymore? Pair of Mocs? A Pistol? A Lantern? A Chair or Table? Call Pete or Gary and they will get it into the next minutes for all to see.

John Schafer has rifles socks for sale that Mary (his wife) makes. I purchased one from him at the Rendezvous so I can verify these are real nice. Please see John at the next shoot.

MUZZLESTUFFER Shoots at the Rio Salado Range

Bi-weekly Muzzle Stuffer fun match at Rio Salado. We usually set up for both rifle and pistol, but always for rifle. We also frequently, but not always, rotate matches between paper and steel using relays. I always take special requests though, so we can have any kind of match any member wants within the limits of our range facility. Questions? Contact John Rankin at johnpaulrankin@gmail.com

It would be real nice to see a few more MMM shooters at the Muzzle Stuffers shoots. Black powder is a small division at Rio Salado and needs the support to maintain it's standing at the range
